

# **ONLINE SEMINAR: Towards efficient food supply chains - insights from implementation of codes of practices in UK, Norway and Finland**

*Wednesday 19. May 2021 at 10.00 to 11.30 (CET).*

The UTP directive is being implemented in EU member states these months. But what are the expected impact of this regulation on trade, on the supply chain and for the consumer?

This webinar will draw upon experiences from the GSCOP regulation in UK as well as recent regulatory initiatives in Norway and Finland.

## **Programme**
