

# ONLINE SEMINAR: Unfair Trading Practices – A Nordic overview

*Wednesday 26. May 2021 at 12.30 to 13.50.*

Over the past years a lot has happened with unfair trading practice in trade agreements regarding food and agricultural products. Currently, the focus is on the implementation of the EU UTP-directive in national legislation (directive 2019/633).

Get a helicopter view of the status and national developments in the Nordic countries at MLDK's online seminar, where we focus on the national legal variations of the regulation in the Nordic countries.
